

2020/21 WOGHA Registration

The 2020/21 WOGHA Executive would like to thank you all for your patience as we worked diligently to determine the second term registration. Our goal was to ensure the security of our small association as well as presenting a fair price for members; especially during this COVID season. As always, we continue to remain transparent with our members and invite you to review our season budget breakdown at the end of the document. A finalized detailed breakdown will be available at the annual general meeting in the spring.

We hope, despite the changes and challenges of this season, the girls have enjoyed being on the ice and skating with their team. We look forward to a second half of hockey with all of you. Stay safe and healthy everyone.

Registration Term #2: Jan 1, 2021 - Mar 31, 2020
